

General Disclaimer

The information provided on www.stem4cells.com ("Website") is published by **STEM4CELLS Sp. z o.o.** ("STEM4CELLS", "Company", "we", "our", or "us") for general informational and educational purposes only.

While we strive to ensure that all information presented on this Website is accurate, current, and reliable, STEM4CELLS makes no representations or warranties of any kind, express or implied, regarding the completeness, accuracy, reliability, suitability, or availability of any information, products, services, or related materials contained on this Website.

Any reliance you place on such information is strictly at your own risk.

No Medical or Veterinary Advice

The content published on this Website is **not intended to constitute medical, veterinary, clinical, diagnostic, therapeutic, or pharmaceutical advice.**

Nothing on this Website should be interpreted as:

- a medical diagnosis;
- veterinary advice;
- treatment recommendations;
- a substitute for professional healthcare;
- a substitute for consultation with licensed physicians or veterinarians.

Always seek the advice of qualified healthcare or veterinary professionals regarding any medical condition, diagnosis, treatment, or healthcare decision.

Never disregard professional medical or veterinary advice because of information obtained from this Website.

Scientific Information

STEM4CELLS operates in the field of biotechnology and regenerative medicine, where scientific knowledge continuously evolves.

The Website may contain:

- scientific publications;
- research summaries;
- laboratory findings;
- technical descriptions;
- emerging technologies;
- educational materials.

Scientific information presented on this Website reflects knowledge available at the time of publication and should not be interpreted as conclusive scientific evidence or universally accepted clinical practice.

Future research, regulatory developments, or scientific discoveries may modify or supersede current understanding.

Research and Development

Descriptions of research activities, laboratory work, innovative technologies, or ongoing development projects are provided for informational purposes only.

References to research do not imply that:

- products are commercially available;
- technologies have received regulatory approval;
- clinical efficacy has been established;
- products are approved for routine clinical or veterinary use.

Research outcomes may differ from anticipated results and remain subject to scientific validation and applicable regulatory requirements.

Regulatory Disclaimer

Unless explicitly stated otherwise, references to products, technologies, laboratory methods, or scientific concepts do **not** indicate approval, authorization, certification, or endorsement by any governmental or regulatory authority.

Nothing contained on this Website should be interpreted as evidence that any product has received approval from:

- the European Medicines Agency (EMA);
- the U.S. Food and Drug Administration (FDA);
- national competent authorities;
- veterinary regulatory agencies;
- other applicable regulatory bodies.

Availability of products or services may vary depending on the jurisdiction and applicable legislation.

No Guarantee of Results

Any examples, case studies, research outcomes, laboratory observations, or scientific discussions published on this Website are for informational purposes.

Scientific and biological results may vary significantly depending on numerous factors beyond our control.

Third-Party Information

This Website may include references or links to external organizations, publications, journals, universities, laboratories, or third-party websites.

STEM4CELLS does not endorse, control, or assume responsibility for:

- third-party content;
- external publications;
- linked websites;
- opinions expressed by external authors;
- products or services offered by third parties.

Users access external resources entirely at their own discretion and risk.

Intellectual Property

All text, graphics, illustrations, photographs, logos, icons, software, publications, downloadable materials, and other content displayed on this Website are protected by applicable intellectual property laws.

Unless otherwise indicated, all rights are reserved by STEM4CELLS or their respective owners.

No part of this Website may be reproduced, distributed, modified, published, or used for commercial purposes without prior written permission.

Website Availability

Although we make reasonable efforts to maintain uninterrupted access to the Website, STEM4CELLS does not guarantee that the Website will always be:

- available;
- secure;
- uninterrupted;
- error-free;
- free from viruses or other harmful components.

We reserve the right to suspend, modify, or discontinue any part of the Website at any time without prior notice.

Limitation of Liability

To the fullest extent permitted by applicable law, STEM4CELLS shall not be liable for any direct, indirect, incidental, consequential, special, or punitive damages arising out of or related to:

- the use or inability to use this Website;
- reliance on Website content;
- scientific or technical information published on the Website;
- temporary interruptions of Website availability;
- errors or omissions in published materials;
- unauthorized access to Website systems;
- loss of data, profits, business opportunities, or goodwill.

Nothing in this Disclaimer excludes liability that cannot be excluded under applicable law.

No Professional Relationship

Your use of this Website does not establish:

- a physician–patient relationship;
- a veterinarian–client relationship;
- a researcher–participant relationship;
- a contractual relationship;

- any professional advisory relationship with STEM4CELLS.

Communication through the Website or contact forms does not create any legal obligation unless expressly agreed in writing.

Forward-Looking Statements

This Website may contain forward-looking statements regarding future technologies, scientific developments, research objectives, strategic plans, or market opportunities. Such statements are based on current expectations and involve known and unknown risks and uncertainties.

Actual outcomes may differ materially from those anticipated.

STEM4CELLS undertakes no obligation to update forward-looking statements unless required by applicable law.

Changes to This Disclaimer

STEM4CELLS reserves the right to amend or update this Disclaimer at any time without prior notice.

The most current version will always be available on this Website together with the effective date.
